EFSA Webinar: Guidance document on safety of feed additives for target animals

EFSA is organising an EFSA webinar explaining the novelties of the guidance on the assessment of the safety of feed additives for the target species. The focus will be on the new approaches to provide evidence of safety of the additive, and to convey some helpful tips to prepare suitable submissions.

The webinar is scheduled on Friday 15th June 2018 from 10.00 a.m. in duration of one hour.

More information and online registration: <https://www.efsa.europa.eu/en/events/event/180615>.
