Calls

Call for Tenders EFSA/2024/OP/0008 - Develop and conduct training courses on Expert Knowledge Elicitation (EKE) | deadline 29.10.2024

Objectives: This call for proposals aims to continue and extend the activity on training EKE methodologies, introducing the current implementation in EFSA's risk assessments, including Behavioural aggregation (e.g., Sheffield), Cooke's, Delphi methods and the Semi-formal protocol.

Budget: maximum € 400,000 for a framework contract of four years.

Deadline for receipt of tenders: 29 October 2024, 14:30 (CET).

Events

Call for abstracts: Youngs acting for the future of Food Safety in EU session @EU FOOD SAFETY FORUM 2024 | deadline 20.09.2024

The **EU FOOD SAFETY PLATFORM** announces the launch of our second call for abstracts aiming to highlight innovative research and ideas from emerging researchers and professionals in the field of food safety.

We invite **young researchers** to submit abstracts showcasing their groundbreaking work in food safety. For inspiration, check out the posters from 2023 [in Youths&Update of the Knowledge Center](#).

Only **6 best submissions** will be awarded and featured on our platform:

- The authors will have a **5-minute pitch** presenting the selected abstracts on the stage of our [EU FOOD SAFETY FORUM](#) on December 3, 2024, in Rome;
- The authors will participate in the “**ASK the EXPERTS**” session, having the opportunity to ask **international experts** relevant questions and interact with stakeholders during the Forum;
- The awarded posters will be **showcased** at the Forum venue;
- The awarded posters will be **published** in the EU FOOD SAFETY PLATFORM
- **Three** selected authors will present their ideas by participating in the **podcast** series: “**Young Minds of Food Safety**” powered by our platform member **LVA** and disseminated via Social Media and YouTube Channels.
